

Department of Rasashastra and Bhaishajya kalpana

Postgraduate Completed Research work:

No	Year	Name of student	Title	Name of Guide
1	2004-2007	Dr. Avinash Chougule	Effect of Concentration And Pharmaceutical Method On Pharmacological Activity Of Shwaskuthar Rasa With Respect To Marich	Dr. Wele Asmita
2.	2004-2007	Dr. Trupti Patil	Bioavailability and Efficacy of Marich [Piper nigrum L.] in Shwaskuthar Rasa with Variation in Concentration and Manufacturing Process	Dr. Wele Asmita
3.	2004-2007	Dr. Sheeba Varghese	Pharmaceutical standardization of Shwaskuthar Rasa prepared by different concentrations of Maricha	Dr. Dalvi –Pawar Madhuri

No	Year	Name of student	Title	Name of Guide
1	2005-2008	Dr. Aalam Shahawar	Comparative Experimental Evaluation of Talisadi Choorna And Gutti Containing Natural Vanshalochan	Dr. Wele Asmita
2	2005-2008	Dr. Omkar Kulkarni	Evaluation of Standardized syrup and Suspension form of Talisadi Churna using experimental models.	Dr Wele Asmita
3	2005-2008	Dr. Vidya Omna	Evaluation of Pharmacological and Antimicrobial activity of Talisadi Choorna and Gutti without Vanshalochan.	Dr Dalvi-Pawar Madhuri
4	2005-2008	Dr. Atul Gaikwad	Pharmaceutical and Experimental study of Talisadi Choorna and Gutti containing Synthetic Vanshlochan	Dr. More Nandini

No	Year	Name of student	Title	Name of Guide
1	2006-2009	Dr. Ekta Chauhan	Experimental Toxicological Evaluation of Bhavana of Agastipatra Swaras to Manashila	Dr. Wele Asmita
2.	2006-2009	Dr. Sandeep Ubale	Experimental Toxicological Evaluation of Ardrak Swaras Bhavit Shuddha Manashila	Dr. Wele Asmita
3.	2006-2009	Dr. Deepali Suryawanshi	Comparative Toxicological Evaluation of Shuddha Manashila Processed in Bhringraj Swaras and Mixture of Bhringraj Swaras with Aja Mutra	Dr. Dalvi –Pawar Madhuri
4.	2006-2009	Dr. Yogendra Kasat	Experimental toxicological evaluation of shuddha manashila Processed sequentially in bhringaraj, agasti, jayanti and aardrak swaras	Dr More Nandini

No	Year	Name of student	Title	Name of Guide
1	2007-2010	Dr. Gaurav Gupte	Development and Standardization of Shaman Dhoomvarti: Deodarvyadi Dhoomvarti.	Dr. Wele Asmita
2.	2007-2010	Dr. Mukesh Chandra	Efficacy of Devdarvyadi Dhoomvarti in Avegavastha of Tamak shwas	Dr. Wele Asmita
3.	2007-2010	Dr. Neelakantha Khadtar	Pharmaceutical standardization of Pathadyasava administered in Shwas	Dr. Dalvi –Pawar Madhuri

No	Year	Name of student	Title	Name of Guide
1	2008-2011	Dr. Jyoti Singh	Toxicity study of Unmadgajakesari Rasa [UGK II] and its Antipsychotic activity in Animal Models.	Dr. Wele Asmita
2.	2008-2011	Dr. Subhod Kele	Evaluation of Acute Toxicity and Antipsychotic Activity of Unmadgajakesari Rasa-I: A Herbo-Mineral compound.	Dr. Wele Asmita
3.	2008-2011	Dr. Prashant Nimbalkar	Evaluation of Antiepileptic and Learning Memory activity of Unmadgajakesari Rasa treated in Herbal Drugs.	Dr. Dalvi –Pawar Madhuri
4	2008- 2011	Dr. Amit Jain	Experimental evaluation of Unmadgajakesari Rasa [UGK II] A Herbo-Mineral compound for its Antiepileptic and Effect on Learning Memory skills.	Dr. More Nandini

No	Year	Name of student	Title	Name of Guide
1	2009-2012	Dr. Nikhil Pendse	A study of manufacture and standardization of vasarishta containg mrit sanjeevani.	Dr. Wele Asmita
2.	2009-2012	Dr. Poonam Madan	Evaluation of anti-histaminic and anti-inflammatory activity of scandalized Talisadi suspension without vanshalochan.	Dr. Wele Asmita
3.	2009-2012	Dr. Swapnil Shinde	Experimental evaluation of anti-histaminic and anti-inflammatory activity of vasarishta.	Dr. Pawar Madhuri

No	Year	Name of student	Title	Name of Guide
1	2010-2013	Dr.Harshita Nagtode.	Experimental evaluation of Antipsychotic activity of Hingvadi Ghrita prescribed in Unmad.	Dr. Wele Asmita
2.	2010-2013	Dr. Amit . Pawar	Experimental evaluation of Antiepileptic and Nootropic Activity of Panchagavya Ghrita.	Dr. Pawar Madhuri
3.	2010-2013	Dr. Kavita Sawant	Experimental Screening Hingvadi Ghrita to Assess Antiepileptic and Nootropic Activity.	Dr.More Nandini
4	2010-2013	Dr. Rupali Kale	Evaluation of Antiepileptic and Nootropic Activity of Kushmand Ghrita using experimental models.	Dr. Gadgil Swati

No	Year	Name of student	Title	Name of Guide
1	2011-2014	Dr. Amol Sonune	Experimental Evaluation of Antipsychotic activity of Vachadi Ghrita using animal Models	Dr. Wele Asmita
2.	2011-2014	Dr. Kunal Gurav	Experimental Evaluation of Nootropic activity of Vachadi Ghrita and in vitro study using biochemical Assay.	Dr. awar Madhuri
3.	2011-2014	Dr. Nashir Parmar	Experimental Evaluation of Antipsychotic Activity of Brahmyadi Ghrita.	Dr. More Nandini
4	2011-2014	Dr. Megha Sangwan	Experimental Evaluation of Nootropic activity of Brahmyadi Ghrita using animal models.	Dr. Gadgil Swati

No	Year	Name of student	Title	Name of Guide
1	2012-2015	Dr. Poonam A. Gupte	Experimental Evaluation of Antidepressant Activity of Hingvadi Ghrita Using Animal Models.	Dr. Wele Asmita
2.	2012-2015	Dr. Ashutosh S. Pandey	Assessment of Nootropic activity of Panchagavya Ghrita in animal models	Dr. Dalvi- Pawan Madhuri
3.	2012-2015	Dr. Priyanka S. Padavi	Evaluation of Nootropic Activity of Hingvadi Ghrita In Experimental Animal Models. .[Approved and accepted]	Dr. More Nandini
4.	2012-2015	Dr. Tapas Nikhare	Experimental Evaluation of Panchagavya Ghrita on Depressive Disorders	Dr. Gadgil Swati

No	Year	Name of student	Title	Name of Guide
1	2013-2016	Dr. Prachi Patki	A study of Medhya activity of Vachadi Ghrita on Learning and Memory of High School Children	Dr. Wele Asmita
2.	2013-2016	Dr. Priyadarshani Magdum	A clinical study of the of Vachadi Ghrita on Memory in Healthy subjects	Dr. Pawan Madhuri
3.	2013-2016	Dr. Santosh Pusadkar	Evaluation of Brahmyadi Ghrita for improvement in learning and memory of High School Children	Dr. More Nandini
4.	2013-2016	Dr. Sudhir Rasal	A clinical study to evaluate memory enhancing effect of Brahmyadi Ghrita in healthy individuals	Dr. Gadgil Swati

Postgraduate Ongoing Research work:

No	Year	Name of student	Title	Name of Guide
1.	2014-2017	Dr. Roshini Takale	Clinical Pharmacological Assessment of Hingwadi Ghrita in Mild to Moderate Depression	Dr. Wele Asmita
2.	2014-2017	Dr. Rashmi Kulkarni	Study the therapeutic effect of Vachadi Ghrita in patients of Depression.	Dr. Pawar Madhuri
3.	2014-2017	Dr. Nishigandha Chaudhari	Clinical Evaluation of Brahmyadi Ghrita in Mild to Moderate Depression.	Dr. More Nandini
4.	2014-2017	Dr. Viraj Bhandari	Evaluation of antidepressant potential of Panchagavya Ghrita as an adjuvant in patients of Depression.	Dr. Gadgil Swati

No	Year	Name of student	Title	Name of Guide
1.	2015-2018	Dr. Vidushi Sharma	Comparative efficacy evaluation of antidepressant activity of Brahmi Ghrita and Avatit Brahmi Ghrita using CUMs animal model.	Dr. Wele Asmita
2.	2015-2018	Dr. Bhavana Menkudale	Comparative assessment of Antidepressant activity of Brahmi Ghrita prepared from Puran Ghrita and Fresh Go Ghrita using CUMS.	Dr. Pawar Madhuri
